AMENDATORY ENDORSEMENT – HIGH WATER ALARM WARRANTY

This endorsement modifies insurance provided under the following:

PROTECTION AND INDEMNITY COVERAGE FORM
VESSEL PHYSICAL DAMAGE COVERAGE FORM

The following condition is added to **OTHER POLICY CONDITIONS AND WARRANTIES**:

High Water Alarm Warranty

As a condition of coverage, it is warranted that the “insured” will maintain an actively engaged and fully functional high water alarm system, with a properly working exterior siren that is audible within a 200 yard perimeter of the “vessel”, for all deep bilges within the “vessel” during the policy period.

This insurance does not apply to “bodily injury” or “property damage” arising out of or resulting from the failure of the “insured” to comply with the requirements as stated above. “We” will have no duty to defend or indemnify any claims or suits seeking damages for “bodily injury” or “property damage” arising out of or resulting from the failure of the “insured” to comply with the requirements as stated above.

All other terms and conditions of this policy remain unchanged.
